## Tuition Deferment Plan (TDP) Application Summer 2025

Address	Name	Student ID		
Are any of the classes in which you are enrolled and are applying for TDP continuing more than one term? Yes **TDP is for one term only. If costs extend beyond one term and are unpaid, late fees are assessed.  **TIDP is for one term only. If costs extend beyond one term and are unpaid, late fees are assessed.  **Tidition Deferment Plan Terms:*  The TDP enrollment fee of \$250.00 for the term is due upon receipt of the completed plan form. The amount covered by the plan is determined by the employer's contribution page. Any item or amount not covered by the employer must be paid by the student along with the enrollment fee no later than the first day of class for the term for a student account to be considered in good standing and not subject to late charges. TDP plans are specific to the term and a new TDP application (including the employer information page) must be completed for each term.  Payments not paid on the specified due date below will result in the following until the account is paid in full: A hold placed on the student account, potential of dropped classes, no access to transcripts, late payment fees of \$75.00 per month, and ineligibility to apply for the TDP in future terms. If you are graduating and are applying for TDP in the term in which you will complete your degree requirements, full tuition is due in order for you to receive your diploma and final transcript.
